### PE Outreach Sports Locker

In May 2011 Beacon Hill received a grant from the Mardyke trust and opened the 'Sports Locker'. The sports locker is a PE equipment lending library that is available to anyone in the Thurrock Local Authority FREE OF CHARGE. You can borrow PE equipment for up to 6 weeks. For more information please contact:

or check out our equipment catalogue at by [clicking here](#)

## PHYSICAL EDUCATION OUTREACH PROGRAMME

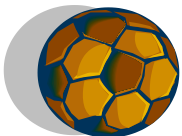

## What is Beacon Hill PE Outreach?

Our PE outreach programme releases a specialist PE teacher to support SEN students and their school staff within the Thurrock Local Authority.

### Our staff will:

- Offer support and guidance around differentiating activities in PE lessons.
- Help adapt planned activities for better student inclusion.
- Offer advice in regards to planning and needed training.
- Contact and work jointly with other concerned parties (IE: Physiotherapy Team).
- Model, explain and train staff around the student focused programme.

## How it works:

- Contact the PE outreach team via phone or e-mail to book an appointment.
- We will initially discuss with the school what support they require for their student(s).
- We will then book an initial observation appointment to come to the school to see the student (s) in their everyday PE environment.
- We will feedback on ideas and any issues from the initial observation.
- We will devise a plan of action around the requested support and discuss this with the school representative.
- We will come back to the school to help implement the plan of action, offer advice on required equipment and provide any further support.
- We will follow up (if needed) to see how things are going and offer further support.
