

Beacon Hill Academy

PE Sports Grant Spending - September 2020 - 2021

DfE Key Indicators

1. The engagement of all pupils in regular physical activity - Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport is raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Money expected = £16,280

Spending plan

Intent	Implementation	impact	cost	KI	Next steps/comment
For pupils to experience a challenging range of new activities which break down the perceived barriers of their physical disabilities	Provision of a bespoke outdoor education programme using providers who can bespoke activities such as sailing to make them accessible for all	Pupils and staff will raise expectations. Allow pupils to identify new skills and interests and transfer these into future planning	£3000	4	(20 weeks@ £150) Extend offer to link pupils into outside clubs and shared activities with peers
For all pupils at the end of primary to have opportunity to develop their independence and confidence in situations away from school and home	Provision of a bespoke Year 6 residential which can be offered to all, even if just for 1 night.	Pupils will be more confident when they move into the more community based learning environment of secondary team	£2000	2,3	Postponed from last year so may look at including current year 7 pupils?

For all pupils to have an accessible way to take part in physical activity within their classroom spaces using adaptable resources	2 sessions a week of dance with Brian. To be led initially via zoom but be accessible and adaptable to all, including pupils who have not yet returned to school (Provision of outdoor trampoline for early years classes)	Every primary pupil is able to access a differentiated session. Individual physical maintenance and recovery programmes can be worked on even though specialist facilities may be out of action	£8000 (£7000 from 19/20 allocation, spent late due to COVID-19 closure)	1, 3	
For all pupils to access a variety of environments where they can develop and maintain their physical skills and independence	All pupils will access water, whether through therapy based activities or learning to swim. School hydro pool is not suitable for all so this will allow pupils to access a mainstream pool	All pupils will be confident in water. Therapy targets in terms of range of movement will be measurable in this environment	£1200	1,4	(20 weeks @£60) Transfer skills to out of school
For pupils to be exposed to adaptations of a wide range of community based sports activities to help them express their choices	Use of animal based sports activities, for some this will be horse riding and for others animal therapy	Pupils will all get exposure to a wider range and be able to identify which activities and therapies will support their learning	£2000	2,4	(20 weeks @100)
